American League Celebrates #100

The American League will celebrate 100 seasons of baseball in 2001 with a series of special events. The celebration will begin on Opening Day, with a special commemoration planned for April 24, the anniversary date of the first American League game between Cleveland and Chicago in 1901.

The four existing charter members of the American League are the Boston Red Sox (originally known as the Boston Americans and the Boston Pilgrims), Chicago White Sox (originally the Chicago White Stockings), Cleveland Indians (originally the Cleveland Blues) and Detroit Tigers.

Major League Baseball has designed special logos to commemorate both the first 100 seasons of the American League as well as the four existing charter member clubs. The logos will be worn as uniform patches by every American League club.

In Memory

Craig Horst, an Associated Press reporter and fixture in the Royals press box since 1979, passed away on Nov. 24, 2000 at the age of 46. His love for the game of baseball and true professionalism will be missed by everyone who knew him in the Royals organization and the Kansas City media.

David D. Glass

Owner/Chief Executive Officer

David D. Glass became Owner and Chief Executive Officer of the Kansas City Royals on April 18, 2000 after serving as Chairman of the Board of Directors of the Royals since Sept. 23, 1993.

The former President and Chief Executive Officer of Wal-Mart Stores, Inc., Glass joined the company in 1976. Before assuming his position at Wal-Mart, he was general manager of Consumer Markets, a grocery chain in Springfield, Mo.

In his position as Executive Vice President of Finance for Wal-Mart Stores, he administered the overall financial and accounting responsibilities of the company, prior to his appointment as Vice Chairman and Chief Financial Officer. He served in that role until 1984 when he was named President and Wal-Mart's Chief Operating Officer. In 1988 he was named Wal-Mart's Chief Executive Officer. He stepped down from the position in January of 2000.

Glass was active in the company's growth from 125 stores in 1976 to its present operation, which includes more than 2,000 Wal-Mart stores and Supercenters, as well as over 400 Sam's Clubs, with international markets in Mexico, Puerto Rico, Canada, South America, China, Korea, Germany and the United Kingdom. The company also operates McLane Company, a wholesale grocery distributor.

Glass was named Retailer of the Year by members of the retail industry in 1986 and 1991, and in 1989 he was honored as one of the Ten Most Outstanding Business Leaders by the Board of Trustees from the Northwood Institute. He has been named Most Admired CEO by Fortune magazine and was tabbed as the 1995 Chief Executive Officer of the Year by Chief Executive magazine.

He is a member of the Board of Wal-Mart Stores, Inc., the Bank of Bentonville and a member of The Business Council.

A native of Mountain View, Mo., Glass graduated from Southwest Missouri State University in Springfield and serves as a member of their alumni association. In 1988, the SMSU College of Business was named David D. Glass Hall in honor of his support and dedication to higher education.

Glass and his wife, Ruth, are the parents of three children, Dan, Don and Dayna.

Dan Glass

President

Dan Glass was named President of the Kansas City Royals on April 18, 2000 and will oversee all aspects of the Royals organization.

Glass previously worked in the Royals Baseball Operations Department from 1993-98. He joined the club as the Baseball Operations Assistant before being named Assistant Director of Player Personnel in 1996, where he assisted with the day-to-day operations of the Major League club and the Player Development and Scouting Departments.

In addition, he was responsible for the coordination and development of the Royals Latin America program. Under Glass's guidance a comprehensive program to enhance the Latin America program was implemented, specifically including lengthening the playing season in the Dominican Republic from four months to 10, adding scouts and instructors in the Dominican Republic and Venezuela and upgrading the facilities in the Dominican Republic. He also initiated classes for Spanish speaking players, teaching them English and how to adapt to American culture.

Prior to joining the Royals, he spent six years as an owner in the jewelry retail business and worked in Glass Enterprises focusing on real estate development projects.

In December, 2000 he was named to the Board of Directors of Hillcrest Bank in Overland Park, Kan.

He attended Southwest Missouri State University and graduated from Drury College with a Bachelors Degree in Business Administration. Before entering college, Dan worked in management for five years with Wal-Mart in Fayetteville, Ark., and as a Assistant Manager in Tahlequah, Okla., Tulsa, Okla., and Carbondale, Ill.

Dan resides in Olathe, Kan., with his wife Penny. He has a son, Dayne, and daughter, Danielle.

Spencer T. "Herk" Robinson

Executive Vice President and Chief Operating Officer

Herk Robinson begins his 32nd year with the Kansas City Royals and his 1st as the Executive Vice President and Chief Operating Officer.

He served as the Royals General Manager the past 10 seasons. During his stint as General Manager, which began on Oct. 10, 1990, Robinson pushed for the Royals minor league pipeline to pump quality talent to the major league level, as it did in the 1970's thru mid-1980's.

In the last 10 years, Robinson and his staff reshaped the organization's major and minor league operations. Under his guidance, the Royals have a rededication to scouting and signing amateur players, while continuing a strong player development program and improving the club through key trades and acquisitions. This hard work payed off as the organization's success has been rewarded in recent years. In 1994, the Royals were named Organization of the Year by Topps, *Baseball America* and *USA Today*. In 1995, Topps tabbed the Royals and New York Mets as co-winners of baseball's Organization of the Year award and the Royals finished second to the Oakland Athletics for the top spot in 1998.

Robinson's tenure with the Royals extends far beyond his current title. He and the late Joe Burke are the only Royals executives to have worked in virtually every aspect of the club's baseball and administrative operations. Robinson joined the club just after its inaugural season in December of 1969 as Assistant Scouting Director. He was steadily promoted up the Royals ladder as Director of Operations in 1973, Vice President in 1975 and Executive Vice-President for Administration in 1981. This well-rounded background makes him a solid leader for the Royals.

Before joining the organization, Robinson worked for the Cincinnati Reds as the Assistant Scouting Director from 1962-67 and the Baltimore Orioles as a Territorial Scout in Illinois, Iowa, Kansas and Nebraska in 1968.

Herk was honored at the 2001 Kansas City Baseball Awards Dinner with the "Mister Baseball" Award, which is presented to a person who has contributed greatly to further the cause of professional baseball in Kansas City.

Born June 25, 1940, Robinson attended the University of Miami (Fla.) and Washington University in St. Louis. He and his wife, Kathy, reside in Greenwood, Mo.

Royals Hall of Fame

The Royals Hall of Fame was established to honor individuals who have made exceptional contributions to the Royals organization. To date, 18 people have been inducted into the Royals Hall of Fame. Outfielder Amos Otis and pitcher Steve Busby were inducted in the inaugural ceremony in 1986; Paul Splittorff, Cookie Rojas and Dick Howser were inducted in 1987; Dennis Leonard and Hal McRae were added in 1989; while Fred Patek, Larry Gura and Joe Burke joined the select group in 1992. Owner Ewing Kauffman was the sole addition in the Silver Anniversary season of 1993, George Brett was added in 1994 and Frank White joined the Hall in 1995. Muriel Kauffman and John Mayberry joined the select group in 1996. Dan Quisenberry was honored in 1998, while the most recent inductees, Whitey Herzog and Willie Wilson, were added in 2000. There were no selections for 2001.

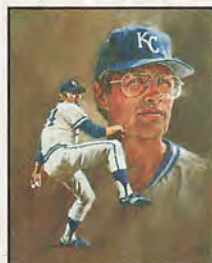

Amos Otis Outfielder, 1970-1983

Amos Otis' career with the Royals spanned 14 years (1970-1983) when he held down the starting centerfield spot. He compiled a solid .280 average in a Kansas City uniform with 193 home runs, 992 RBI and 340 stolen bases while winning 3 Gold Gloves and 5 All-Star nominations. He was the Royals Player of the Year three times (1971, '73 and '78).

Steve Busby Pitcher, 1972-1976, 1978-1980

Steve Busby was one of the Royals best pitchers and top competitors despite having his career shortened by a shoulder injury. From 1973-75 he averaged 18.6 wins, 260 innings and 177 strikeouts per season while establishing many club records. A 2-time All-Star, he's the only pitcher to toss no-hitters in each of his first two big league seasons.

Paul Splittorff Pitcher, 1970-1984

Paul Splittorff's big league career included action in 15 seasons from 1970-84. He was a mainstay on the staff from 1972-80 when he averaged nearly 15 wins and 220 innings per year. The big left-hander holds the Royals career records for wins, starts and innings pitched. In 1973 he became the first 20-game winner in Royals history.

Cookie Rojas Second Base, 1970-1977

Cookie Rojas brought eight-and-a-half years National League experience to the Royals in 1970 and his experience and leadership abilities were felt immediately with the young expansion team, providing a solid base for future championships. Rojas was named to the American League All-Star team four consecutive years (1971-74).

Dick Howser

Manager, 1981-1987

Dick Howser managed the Royals from August 31, 1981 to February 23, 1987 before losing a courageous battle to cancer on June 17, 1987. During Howser's regime, the Royals won 2 division titles and a World Championship in 1985. He compiled a 404-365 record (.525) while guiding the Royals. His uniform number 10 was the first number retired by the Royals.

Dennis Leonard

Pitcher, 1974-1986

Dennis Leonard is the only 3-time 20-game winner in Royals history. The 3-time Royals Pitcher of the Year holds the club's career record for complete games and shutouts, and single season highs in starts, complete games, innings pitched and strikeouts. His 130 wins from 1975-81 were the most by a righthanded pitcher in the Major Leagues.

Hal McRae

Designated Hitter, 1973-1987

Hal McRae's hard-nosed, aggressive style of play set the tone for the Royals championship clubs. He spent 14 full seasons in a Royals uniform and was recognized as one of the AL's most prolific designated hitters. He was a 3-time All-Star, led the league in doubles twice and topped the loop with 133 RBI in 1982. He earned Royals Player of the Year honors in 1974 and '82.

Fred Patek

Shortstop, 1971-1979

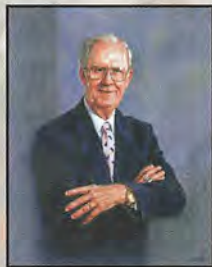

Despite being the smallest player in the big leagues at 5-4, **Fred Patek** was a cornerstone of the early success of the franchise. He wore a Royals uniform from 1971-79, posting a .241 average in 1,245 games, earning a pair of All-Star game selections from his shortstop position. He led the league with 11 triples in 1971 and with 53 stolen bases in 1977.

Larry Gura

Left-handed Pitcher, 1976-1985

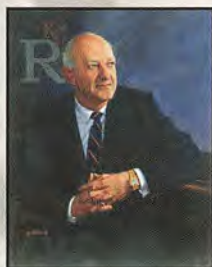

Larry Gura logged a 111-78 record as a Royal, a 59 percent winning percentage, the top mark in club history. The crafty lefthander was a member of the 1980 American League All-Star squad and twice was selected as the Royals Pitcher of the Year (1978 and 1981). His career highs for wins came in 1980 and 1982 when he recorded 18 victories.

Joe Burke

General Manager/President, 1973-1992

Under **Joe Burke's** guidance, baseball achieved its greatest success in Kansas City. He joined the club in 1973 and served as General Manager from 1974-1981. He was President of the club from that time until cancer took his life in 1992. He was named Major League Executive of the Year in 1976 and was named "Mr. Baseball" at the Kansas City Baseball Awards Dinner in 1978.

Ewing Kauffman

Owner, 1968-1993

The strength and integrity of **Ewing Kauffman's** ownership was the cornerstone of success for the Royals during the club's first 25 years. When purchasing the club as an expansion team in 1968, his primary motivation was to provide winning Major League Baseball for Kansas City. Prior to his death in 1993, he provided an innovative plan to insure new ownership would keep baseball in Kansas City.

George Brett

Infielder, 1973-1993

George Brett wrapped up a 20-year Hall of Fame career with the Royals in 1993. The 13-time All-Star and 8-time Royals Player of the Year is the club's all-time leader in every offensive category except stolen bases. He was an American League MVP, a Gold Glove Award winner and 3-time AL batting champion. He was selected to the Major League Hall of Fame in 1999.

Frank White

Second Baseman, 1973-1990

Frank White was the defensive star for the Royals from 1973-90 as he won 8 Gold Gloves, an American League record for 2nd basemen. He was selected to the All-Star team 8 times, named the Royals Player of the Year in 1983 and 1986 and tabbed as the ALCS MVP in 1980. He is 2nd on the Royals career charts in hits, games and at bats. White's number 20 has been retired.

Muriel Kauffman

Royals First Lady, 1968-1995

Muriel Kauffman, the Royals First Lady, was the driving force behind Mr. K's decision to buy the Kansas City Royals. She was a member of the club's Board of Directors and served as a major impetus to the smashing success of the Royal Lancers. Away from the ballpark, she established the Muriel McBrien Kauffman Foundation to support and perpetuate the performing arts and to advance education, research and prevention in the health field.

John Mayberry

Infielder, 1972-1977

John Mayberry was the Royals first true power hitter and probably the most impressive. He was a bomber in a lineup that featured speed and gap hitters. In 6 seasons in Kansas City he averaged 24 home runs and 94 RBI. He earned All-Star honors in both 1973 and '74 and became the club's first 30-home run hitter with 34 "taters" in 1975.

Dan Quisenberry

Pitcher, 1979-1988

Dan Quisenberry's bullseye control, submarine-style delivery and quick wit made him a favorite among his teammates, media, peers and fans. He earned Royals Pitcher of the Year honors 4 times, was selected to the All-Star team on 3 occasions, led the American League in saves 5 times and was a 5-time winner of the American League Fireman of the Year award.

Willie Wilson

Outfielder, 1976-1990

Willie Wilson became only the second player in baseball history to stroke 100 hits from each side of the plate in a season in 1980. He collected 2,207 hits and 668 stolen bases, including a league leading and club record 83 in 1979. He was a Gold Glove Award winner in 1980, was the Royals Player of the Year in 1981 and was on the American League All-Star team in 1982 and 1983.

Whitey Herzog

Manager, 1975-1979

Dorrel Norman Elvert "**Whitey**" **Herzog** managed the Royals from 1975 to 1979. He led the team to three straight American League Western Division titles, the first division titles in club history. His top season came in 1977 when he managed the Royals to a club record 102 wins. The 1976 UPI Manager of the Year, he is the Royals all-time winningest manager, posting a record of 410-304.

Retired Numbers

In a ceremony that took place on April 7, 1997 prior to the season's home opener, the Kansas City Royals unveiled a special display of the club's three retired uniform numbers. The number 10, worn by former manager **Dick Howser**; the number 5, worn by former third baseman **George Brett**; and the number 20, worn by former second baseman **Frank White**; had all previously been retired by the ballclub. From that date forward, the four-foot high solid bronze numbers will be displayed at Kauffman Stadium just below the message board in center field.

No-Hitter Summaries

Steve Busby, Jim Colborn and Bret Saberhagen are the only pitchers in Royals history to have hurled no-hitters. Busby accomplished the feat on 2 occasions, the first coming at Tiger Stadium when he held Detroit hitless on April 27, 1973. He gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City pitcher in Kauffman Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 batters.

Saberhagen recorded his gem in Kauffman Stadium vs. the Chicago White Sox on August 26, 1991. He walked 2 and fanned 5.

California Angels ace Nolan Ryan recorded the 1st no-hitter in Kauffman Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners, all walks, in the 3-0 win, his 1st career no-hitter.

Kauffman Stadium

Adding age to its beauty, the Kansas City Royals play their 29th season at Kauffman Stadium in 2001.

Recognized throughout baseball as one of the game's most beautiful ballparks, Royals Stadium opened April 10, 1973 with the Royals defeating the Texas Rangers 12-1 before 39,464 fans. Since then, many exciting games have been contested, including the 1973 All-Star Game, 3 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series tilts in 1980 and 1985. The facility was officially re-named in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993. Since its opening, a total of 51,526,035 people have visited the stadium, including a record 2,477,700 in 1989.

Kauffman Stadium's unique features include a 12-story high scoreboard and a 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40 by 60 foot screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 was a state-of-the-art Sony JumboTron color video display board installed on the left field hillside. Measuring 30 by 40 feet, it's one of the largest video boards in the U.S. The top of the board features the Royals logo. In keeping with the architecture of the stadium, the existing water spectacular featuring cascading water now extends to the left field corner.

A grass playing field replaced the artificial surface at Kauffman Stadium prior to the 1995 season. The fences were also moved in 10 feet from bullpen to bullpen at that time and lowered from 12 feet to 9 feet.

Prior to the 1999 campaign, additional field level seating, known as "Crown Seats" and four dugout suites were added to enhance the stadium. Prior to the 2000 season the Picnic Pavilion was added near the base of the JumboTron in leftfield for groups attending the games.

The re-naming of the stadium was appropriate in that it was the strength and integrity of Ewing M. Kauffman's ownership that provided the cornerstone for the Royals success. Kauffman purchased the club as an expansion franchise in 1968 with the primary and continuous motivation of providing winning Major League Baseball for Kansas Citizens. Kauffman, who founded Marion Laboratories in his mother's basement and built it into a diversified health care company with sales reaching nearly one billion dollars, possessed a sense of daring and an innate ability to motivate those around him. The club's even-handed philosophy bears the Kauffman stamp. Mr. K also gave much personal attention to the Kansas City community, an important philosophy that was inbred into the Royals organization and still remains today.

Among the awards Mr. Kauffman won for his leadership include the Kansas City Press Club's 1973 Man-of-the-Year, the "Mr. Baseball" honoree at the Kansas City Baseball Awards Dinner in 1976 and 1991 and induction into the Missouri Sports Hall of Fame. He also received the Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" Award and the Distinguished Service Award from the American Legion. Mr. K passed away on Aug. 1, 1993.

Baseball Rules/Terminology

Definition of a Night Game: Any game scheduled to start after 6 p.m. will be considered a night game. If a game is scheduled to start at 6 p.m. and is delayed by rain, or for any other reason, it will be considered a day game. If a game is scheduled to start at 6:01 p.m. it will be considered a night game. Two-night doubleheaders shall be included in doubleheader statistics and shall be considered two night games. When afternoon and night games are played on the same date with separate admissions, the games shall be day and night and count as single games.

Designated for Assignment: Allows a club to open up a roster spot while waiting for him to clear waivers, which can take up to 10 days.

Designated Hitter Rule: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

Disabled List: There are two disabled lists (15-day and 60-day). Players can be disabled retroactively, up to a maximum of 10 days, beginning with the day after the last day on which they played. A player on the 15-day DL may be shifted to the 60-day DL at any time. Players may be assigned to a Minor League club for the purpose of injury rehabilitation for a maximum of 20 days (30 days for pitchers).

Figuring Magic Number: To determine a team's "Magic Number" in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

Major League Trading Regulations

The trading deadline for all inter- and intra-league deals is midnight July 31. Waivers are required for all inter- and intra-league deals from August 1 until 5:00 p.m. (EDT) the day after the regular season concludes. No waivers are required the remaining 10 months of the year.

Options: When a player is on the 40-man roster but not on the 25-man Major League roster, he is on "optional assignment." Each player has three option years and he can be sent up and down as many times as the club chooses within those three seasons. When a player is "out of options" that means he's been in the majors during three different seasons and in his fourth professional season, to be sent down, he will have to clear waivers.

Pinch Hitter Rule: A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Recalled vs. Contract Purchased: If a player is on the 40-man roster he is "recalled." If not, then his contract is purchased (for a nominal fee) from the Minor League team. A player must be added to the 40-man roster when his contract is purchased.

Roster Limitations: Rosters are limited to 25 players from Opening Day through August 31 and 40 players from September 1 through the conclusion of the season. Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.

Rookie Qualifications: A player shall be considered a rookie unless, during a previous season or seasons, he has: a. exceeded 130 at-bats or 50 innings pitched in the major leagues; or b. accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

Baseball Rules/Terminology

Rule 5 Draft: A player not on the Major League 40-man roster is eligible for the Rule 5 Draft in December if: 1. The player was 18 or younger when he signed a pro contract and this is the fourth Rule 5 Draft since he signed; or 2. He was 19 or older when he first signed a pro contract and this is the third Rule 5 Draft since he signed.

Save Rule: Saves shall be awarded to relief pitchers under the following criteria: Rule (10.20) tells the official scorer to credit a pitcher with a save when he meets all three of the following conditions: 1. He is the finishing pitcher in a game won by his club; 2. He is not the winning pitcher; and 3. He qualifies under one of the following conditions: a. He enters the game with a lead of no more than three runs and pitches for at least one inning; or b. He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces); or c. He pitches effectively for at least three innings.

Suspended Game Rule: A game terminated for any of the following reasons will be a suspended game if it has progressed far enough to be an official game (i.e. 4 1/2 or 5 innings): 1. A curfew imposed by law; 2. A pre-arranged time limit; and 3. Darkness where local law prohibits turning on the lights or where lights are not available.

Light Failure: A game terminated by light failure or malfunction of a mechanical device under the control of the home club will be a suspended game **anytime after it starts**.

Inning in Progress (Added in 1980): If weather forces the termination of a legal game while an inning is in progress, it will become a suspended game if either of the following conditions exists: 1. The **visiting team** has scored one or more runs to tie the game, and the **home team** has not scored; 2. The **visiting team** has scored one or more runs to take the lead and the **home team** has not tied the score or retaken the lead.

Note: If a legal game is **tied** when called because of weather and neither of the above situations prevails, it is a **tie game** and must be **replayed in its entirety**.

Procedures for Resumption of Play: Suspended games shall be resumed at the exact point of suspension immediately preceding the next single game between the 2 clubs on the **same ground**. If that is not possible, other provisions for resumption are specified in A.L. Regulation 5.2 (c).

Umpire Interview Policy: Major League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual play should be explained to the press box, usually between innings. Umpires are available for post game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interviews and will act as a spokesman for the "crew."

Waivers: If a player placed on Major League waivers is not claimed by another team within three business days after waivers have been requested, then the player has "cleared waivers", and the team has secured waivers for the remainder of the waiver period. The team then can do one of three things: 1. Send him to the minors (subject to his consent, if he is a "Veteran Player"); 2. Release him, which makes the player a free agent and thus available to sign with any team; and 3. Trade him to another team, even if the trading deadline has passed.

Note: Any trades after July 31 may only involve players who have cleared waivers. If a player does not clear waivers (claimed by another team or teams), the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned in the following manner: 1. If only one claim is entered, the player's contract is assigned to that claiming club; 2. If more than one club in the same league makes claims, the club currently lower in the standings gets the player; and 3. If clubs in both leagues claim the player, preferences shall always go to the club in the same league as the club requesting waivers.

Batting Average—divide the total number of safe hits **by** the total times at bat.

Slugging Percentage—divide the total bases of all safe hits **by** the total times at bat.

Pitchers Earned Run Average—multiply the total earned runs **by** 9, and **divide** the result **by** the total number of innings pitched.

Fielding Percentage—divide the total putouts and assists **by** the total putouts, assists and errors.

Won-Loss Percentage—divide the number of games won **by** the total games won and lost.

On-Base Percentage—divide hits plus total bases on balls plus hit-by-pitcher **by** at-bats plus total bases on balls, hit-by-pitcher and sacrifice flies (for purposes of this percentage ignore being awarded first base on interference or obstruction).
